Wishes to thank*

Karoo Theatrical Hotel

Thank you for your generous donations to our Online Auction.

By donating these gifts, you are helping us to take care of our cancer and AIDS patients, who do not have much longer to live, and their families.

Support of the bereaved family continues for over a year after the death of a loved one, as first anniversaries are very difficult to deal with.

Your contribution is so appreciated and has made such a difference to our project.

*Kind Regards
Margaret Overmeyer*
